New Zealand
Ministry Trip

June Update

Dear faithful prayer partners,

It is hard to believe we have less than one month left in New Zealand. This has been an incredible and very profitable trip! We cannot say "thank you" enough to those of you whom God used to make this trip possible! Here are some of the things God has been doing here.

Letter-boxing

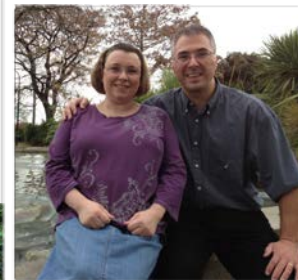

We have been very busy labeling and distributing John and Romans for the Groves. We have been able to prepare **1,200 John and Romans for letter-boxing**. The girls enjoy getting to be "posties" as they're called here in New Zealand. Pastor Grove has been working to make sure every home in the Ashburton District receives one of these John and Romans. It has been a great blessing to help him reach his goal.

David and Amy in Ashburton

Ministry

Last month, David and Amy filled in for Mike and Nancy Grove in various positions while they were in the States on a brief furlough. David preached

several times, while Amy taught the children's Sunday school class. David gave a devotional at a group teen activity we held with two other churches here on the island. This was a great opportunity for us to gain experience serving on the field.

Prayer Requests

Please pray God will bless the remainder of our time in New Zealand. **David will continue to fill in for Pastor Grove** while he is gone for two weeks teaching a Bible Institute class in Blenheim. We will also be making another trip to Christchurch next week. We hope to find out more about this city's need for the Gospel. God has used this trip to show us many areas on the South Island that need the Gospel. We are eager to share with you all of the things God has shown us when we return. The map below shows several of the places we have found that is in need of a Gospel preaching church. **Pray God will direct us** as we seek where He would have us serve when we return.

Pray for safety as we travel back to the States. We arrive in Chicago on June 26th. We will resume our deputation schedule upon arrival. God has continued to bless us with meetings for this fall while here in New Zealand. We are excited about the opportunities we have to present our ministry to many new churches. **Pray God will continue to raise us up more churches that will help us reach Kiwis for Christ.**
