The Smith Family

July 2014

Dear faithful supporters and prayer partners,

God continues to move us forward as we "prepare the fields" in Whangarei. Here is some of what God has done recently.

**The Cutforth's visit**

May 24th - June 6th we were blessed to host the Cutforth's from Whangarei here in the States. This truly was a special visit for them and us. They were able to visit some of our supporting churches while here. Brian said being able to meet with so many believers of like faith truly was a "taste of Heaven," for him.

**David's Ordination**

One of the greatest blessings of the Cutforth's visit was the opportunity for them to be part of **David's ordination** service **June 1st**. That evening, our church "released" David to accept the call to pastor the Calvary Baptist Church in Whangarei. Pastor Broyhill preached a tremendous message on the role of a pastor.

**AIM Conference**

Following the Cutforth's departure, we made our way to Memphis, TN for FBWWM's **Annual Institute of Missions** at **Eastside Baptist Church**. The preaching and teaching this year were a great help and encouragement as always. Our pet kiwi, Pokey, made an appearance during the children's services too. Following AIM, we continued on the deputation trail. The third week of June we were blessed to be part of the **Vacation Bible School** at **Lighthouse Baptist** in Bessemer, PA. David had the privilege of **leading a young man to Christ** that week. Other decisions for salvation were made as well. The following week we were at **Grace Baptist** and **Harvest Baptist** in Greenville, PA. In July, we headed to Iowa. We were blessed to be at one of our supporting churches, **Eastern Hills Baptist** in Council Bluffs, IA. God has done a wonderful work in this church since we first met them.

**Four new supporting churches!**

In May and June, four new churches joined us reaching Kiwis for Christ: **Faith Baptist** in Belleville, IL; **Eastside Baptist** in Memphis, TN; **Grace Baptist** in Beaver Dams, NY and **Faith Community Baptist** in East Bend, NC. We are so thankful for these churches financial support! We are now at **85% of our support!** God continues to prove that He will provide! Please continue to **pray for our remaining support.**

**Immigration**

We have entered into the main part of our immigration process. During this time, it is crucial that all of our papers arrive within a three month time period of each other to avoid some documents becoming outdated while waiting for others to arrive. **Pray specifically for Andrew's autism assessment.** This report is a critical part of our documentation. His review is scheduled for **August 15th**. Pray God would allow Andrew to be seen **sooner** if possible. The earlier we have his results, the better.

**Passage Fund**

**Please also be in prayer for our passage fund.** We will be shipping a container to New Zealand, and we will need airline tickets as well. With the sudden increase in our support, we have not had time to set aside unused funds toward these needs. This means we must cover these needs now, as they arise. God has proved Himself faithful over and over. We are confident God will provide! Thank you to all of you for your prayers and financial support.
